

预示后果

1、Obviously, if we don't control the problem, the chances are that... will lead us in danger. 很明显，如果我们不能控制这一问题,很有可能我们会陷入危险。

"the chances are that"替代了"may", 果然说话拐弯的生物不止是中国人。

2、No doubt, unless we take effective measures, it is very likely that... 毫无疑问，除非我们采取有效措施，否则很可能会……

作文结尾万用句，毫无破绽。

3、It is urgent that immediate measures should be taken to stop the situation. 应立即采取措施阻止这一事态的发展。

"It is urgent that"+被动，效果不错滴。
